“ 4th of July with fireworks, video games played until wee-hours of the morning while Pam was asleep on the bed behind us, (LOL), Smoking ! Boy did we do a lot of it. Watching each other get married and have kids. Calling each other family. And we are definitely family. The things we did and the times we had together will forever be imbedded in my brain, heart, and soul. One day we will meet again my friend and we will do it all over again, with the same old stupid smiles on our faces we had the first "go-around".
