“ When I think of Selena’s smile it sends a memory throughout my soul that will never be forgotten. She had the sweetest countenance and a presence that stays with you for a lifetime. When she smiled at me I could see it not only on her face but in her eyes and it just settled in a special place in my heart. It was a true gift to know her and have her as a student. May the Lord bless and keep her. Sending love and prayers to all her family and friends.
