“ Susan was my neighbor for many years. She was quiet and rarely asked for help though she lived alone. We both had grown sons and we would talk about their accomplishments. She was very proud of them. I will miss her

Dear Brien, Donald and Sean, I was in tears after Christmas when I found the memorial page of dearest Susan. Miss her so much, her kindness, engagement and faithfulness. We had a long distance friendship for 45 years and she will always have a place in my heart. I added pictures from when we met summer of 1995 and winter of 2008. I also visited Susan and the lovely boys winter 1995 with my daughter. Happy, warm and good memories. Carin Mori in Sweden

It was with great sadness that I discovered Susan's obituary. We were friends through high school and beyond. She spent a lot of time at my house and loved Suzy Q's. She was beautiful and always so stylish, a fashionista who made many of her own clothes. She spent many hours at my house. We would often miss the schoolbus and have to walk miles to school in the freezing cold. I'm glad that I knew her and that she is at peace.
