“ *Tim was a big part of our family. I was very lucky to have been able to share many Disney vacations, bbqs, holidays, birthdays..and the list goes on. He brought laughter to all of us, and entertained us with his singing and music. His heart was big and family meant the world to him. I'll always remember him as the fun, loving, full of life brother in law that he was. I cherish time spent with him and are thankful that he chose to become part of our family. He is greatly missed and will never be forgotten.*

“ I am so sorry to hear of Tim's passing. I sending my condolences to his family and keep strong.

I keep in touch with John Clemente and he told me of his passing. I knew him at St Joseph Semi Military Academy in Newburg, New York. I remembered him as easygoing, but we had no choice with the sisters watching over us.
