

## William "Pat" Patrick Osborne

January 3, 1950 - March 15, 2026

William Patrick Osborne, affectionately known as Pat, entered the pearly gates on Sunday, March 15, 2026, at the age of 76. Pat was born in Middletown, NY, in 1950 to William "Hack" Osborne and Kathryn Finnegan Osborne.

A proud Eagle, he attended Burke Catholic and graduated Magna Cum Laude from Manhattan College, finishing first in his class. GO JASPERS! Following his undergraduate achievements, Pat was awarded a graduate assistantship at S.U.N.Y. Cortland, where he earned a master's degree in health education. Pat was also very proud to be a "Friend of Bill" He was employed by the City of Middletown and was supervisor in the Water Meter Department. Pat dedicated 10 years as the President of CSEA Local 836 and was a 50+ honorary member and past President of Excelsior Hook and Ladder Co. He also served as Director of the Middletown Youth Soccer League and coached many of his children's youth teams.

Known for his warmth and friendliness, Pat never met a stranger. If you were behind him in line at Shop Rite, First Federal, Tom's Market or Amber's Sub Shop... you know what we kids are talking about. If the story started with, "Remember when we...." You were in for a treat or a long wait.

He is survived by Mary Osborne, his children, Heather Conklin, (Ryan), Casey

Webb, (Jason), Sean Osborne and Kyle Osborne. He was a devoted Poppy to his grandchildren, Aidan Conklin, Chase Webb, Kurt Webb and Keira Conklin. He is also survived by the best siblings, they might fuss at each other hard, but they love each other harder. Jim Osborne, Kathy Osborne, Larry Osborne, Anne Walters, Sue Sanchez, Chris Osborne, Eileen Osborne, Liz Randolph and Mark Osborne. He was predeceased by William "Hack" Osborne, Kathryn Finnegan Osborne, brother Daniel Osborne Sr. and nephew Joseph Sanchez. Despite being a Giants fan, Pat never missed an opportunity to join in a J-E-T-S chant with Joey.

A Celebration of Life will be held on Sunday, March 22nd, at Martinez-Morse Funeral Home, Middletown, NY, from 2-4pm. In lieu of flowers, donations can be made in Pat's name to The Parkinson's Foundation, Suite 1530, New York, NY 10018. The family acknowledges the difficulty of speaking about Pat in the past tense, as he remains ever-present in their hearts.

“ i just read about this..i hadn't spoken to Pat in nearly 50 years..the last i heard, the late Doug Hutchings told me that Pat was asking about me! It was never NOT a joy to be in Pat's company..in the early out of college years, early seventies, I found myself in Pat's company a lot, and it was always a pure joy. I enjoyed his obituary a great deal, and it was entirely accurate! My best to his big wonderful family.

“ I have known 'Pat' since our college days. The ole' Jaspers loved him as 'Ozzie.' A true friend who shared great memories & stories over the decades. He always found the time to reach out. However, "no texting permitted." I glad we always spoke on the phone. My wife and I were able to visit him in Middletown two years ago. He was a hoot..RIP.

“ Kyle, I'm so sorry for the loss of your Dad. I met him just recently at Mulberry House. As soon as I was introduced to him, I told him I knew you and what a hard-working wonderful person you are. He proudly nodded and said you're a 'good kid', which I couldn't agree with more. I often think fondly of our days at HHFCU. God bless you and your family during this difficult time. Love, Anna Kellett

“ I'm proud to call Pat my friend for 70 years. Our parents backyards butted up to what we kids called 'Furman Woods'. We'd all play hide 'n seek with the neighborhood kids or you'd find us at Fancher-Davidge Park playing ball of some type. Just remember to come home when the street lights come on. After graduating Burke, a year behind Pat, I went out west to attend college. Upon graduation I moved back to Middletown, but for a short period of time. My wanderlust took me to Las Vegas. Even after moving away we stayed in close touch. Each spring I would look forward to Pat coming out for NASCAR weekend. While here, he'd always extend for a few extra days. We traveled to Death Valley National Park, visited the off the beaten path of the Pioneer Salon and another adventure down in Phoenix to name a few. Safe travels to the Pearly Gates my friend.

*“ I met Pat through our mutual friend Don Wickham. We then worked together at ARC in Campbell Hall. After I changed jobs and went to another Pat and I and my husband Bill remained in contact and spent some time doing dinners together. Pat loved coming over to see my Standard Poodles and they made him smile. We loved Pat's sense of humor and always a good story or joke. Pat will be sadly missed by many. Rest in Peace our good friend.*

*“ I don't remember the time before we were friends. Pat was a part of summer when we were kids. And a friend for life. In later years he so graciously kept an eye on my dad as he aged. I will miss you, my friend. My condolences to the family.*
